**CRITIQUES** are tools used to help the Artist better understand how others view and evaluate their art work(s).

**You as the Artist make the final call - It's your work afterall!**

---

Art Critics - Please answer the following questions to help your peer refine his/her/their self portraits. Please use **detailed examples and evidence to back up your claims**, rather than focusing on writing complete sentences/paragraphs. Reference [Art Elements Vocabulary](#) when answering.

- 1) What [Art Elements](#) is the artist using?
  
- 2) What do you think the self portrait conveys about the artist's personality?
  
- 3) What mood or tone is being conveyed in this self portrait?
  
- 4) What about this Self portrait still needs to be considered or *refined*???
  
- 5) What is striking or beautiful about the self Portrait?
